Education —

A Creative Experience

Natural curiosity and creative energy of freshman students are directed towards goals of productive accomplishment. Attitudes for exploration of individual talents and abilities are stimulated through social and educational contacts. They continue through commencement into a life which demands not only the right answers to problems but also an active mind which probes below the surface. The 1963 *Cauldron* emphasizes ways in which DGHS discovers, develops, and assimilates curiosity, imagination, and the quest for knowledge which characterize the creative mind—whether it is involved in solving algebraic equations, designing prize-winning floats, or outlining complicated football plays.

Academics

The Academics Department, devoted to developing intellectual, physical and social aspects of student life, has designed and implemented its curriculum to meet the needs of people in a changing world. From technical advancement to college preparation, courses are offered to stimulate the intellectual pursuits of a widely diversified student body. Novelty presented ideas encourage individual students to use creative energies to form ideas and concepts of their own. Thus, students grow intellectually and thrive in the academic atmosphere created by administrative advisors, helpful counselors, and stimulating faculty. The adult staff implements policies and procedures established by the Board of Education to prepare young people for life in our modern world.

Parents Plan Education

The BOARD of EDUCATION, School District No. 99, under the supervision of Mr. Albert Bowers, President, meets twice a month at the Board of Education offices in Lincoln School. The Board approves the annual budget, plans for physical accommodations and ~~accommodations~~ and establishes educational policies to guide the administration.

The vital problem of increasing enrollment was met by the Board this year with the authorization of a temporary portable two classroom building on the high school campus. At present, the Board is planning construction of a new high school to be completed in the fall of 1964.

"Strengthening Human Values Through Shared Responsibility" is the theme, providing theme which the PARENT TEACHER ASSOCIATION chose for the 1962-1963 school year. The home and the school were brought closer together through lectures and events which gave the school and community a chance to cooperate during the school year. The program, beginning with an Open House in September and climaxing with a Medical Symposium in June, created parents and teachers to develop a more effective educational system through a basic understanding of the policies now in use.

The SUPERINTENDENT OF SCHOOLS serves not only grade and high-school students, but also their families and community. For seven years, Dr. Glenn E. Pickrel has provided wise and able leadership in the ever-present problem of constantly expanding enrollment in the school community.

During a recent tour of Europe, Dr. Pickrel, along with a small group of other American school superintendents, studied the Continental school systems, and has reported his experiences to various community organizations.

In addition to his duties as superintendent, Dr. Pickrel is a member of the American Association of School Administration, Illinois School Administration National Education Association, Illinois Education Association and the National Association of Secondary School Principals.

Throughout his thirty-nine years at DGHS, Mr. Johnson has successfully carried out his duties as Principal and has also been a personal and helpful friend to his students. He has faithfully fostered the highest social and academic achievement for every member of the student body. This ideal, combined with smooth functioning and total effectiveness of the school, remains foremost in Mr. Johnson's mind.

In the spring of 1962, a high honor was bestowed upon our principal. He was given one of the annual "Principal of the Year" awards in the Croft Publishing Company's contest for secondary school principals. This recognition is a national honor awarded to an outstanding administrator and academic leader.

In addition to his duties as principal, Mr. Johnson is presently serving as Chairman of the Legislative Commission of the Illinois High School Association.

The GUIDANCE DEPARTMENT is devoted to assist each student with educational decisions and vocational preparation. A special program of testing, including the Iowa Tests of Educational Development given in the freshman, sophomore, and senior years and the Illinois Statewide Battery administered in the junior year, evaluate the interests, abilities, and achievements of each student. A guidance bulletin board located near the counseling offices helps college-bound students select schools and obtain information about scholarships and other forms of financial aid.

The Guidance Department also provides an effective system of counseling which gives individual attention to personal problems. Since each student is assigned to the same counselor over a four year period, there develops a close student-counselor relationship.

English Enriches

The ENGLISH DEPARTMENT stresses effective communication developed sequentially from the freshman year through the senior year in the four years of English required for graduation. Interested, qualified students may elect to substitute at the sophomore level one semester of speech or debate for one semester of English; and under the same restrictions, students may elect to substitute one year of journalism for junior English.

To best serve student needs, specialized course groupings include skills improvement sections, honors sections, college preparatory and business preparatory sections. Under the direction of Mrs. Margarete Cantrall, the objectives of improving communication skills, stimulating creative abilities, and developing appreciation of literature are accomplished through the many-faceted English program at DGH.

Math Presents Challenge

The importance of mathematics in today's world is emphasized in the Downers Grove High School MATH DEPARTMENT, under the direction of Mr. Edward L. Paine. The basic, traditional courses plus the new, modern courses now offered, provide valuable background for our future scientists, engineers, and mathematicians.

The School Mathematics Study Group (SMSG) courses have been taught at Downers Grove High School for the last three years. In the modern approach to math, these classes give instruction which consists of explaining algebra and geometry in terms of set theory. This year two new courses were added to the math curriculum: in the first of the new classes, seniors who had taken algebra in the eighth grade, were taught principles of finite math and calculus; in the second program juniors and seniors who had completed three years of SMSG math were taught advanced ideas in set theory.

The NATURAL SCIENCE DEPARTMENT, headed by Mr. Everett E. Holt, offers a varied program of courses in physical science, biology, chemistry, and physics. In addition to the elementary courses, advanced study in biology and chemistry is offered to those students who exhibit particular interest and ability in these fields. The principles of modern physics are expounded in extensive and detailed physics courses.

A new Chemistry I course, *Chemistry - An Experimental Science*, is now being taught to a few beginning chemistry classes. The bulk of the work in this course is based on experiments performed during class time, a unique aspect is the open book tests. Students are not expected to memorize tables or formulas but must work out problems through reason.

Mr. Olney explains the Dow Jones Industrial Average to his American Problems class.

A better understanding of today's world its societies and problems—is engendered through courses offered in the SOCIAL STUDIES DEPARTMENT. Headed by Mr. Glenn Olney, the department acquaints students not only with world conditions of the past but also with those of the present.

The courses in American History in the junior year and American Problems in the senior year are required for graduation from DGHS. This year for the first time, seniors were enrolled in the new American Problems course which includes studies of economics, Communism, population, and the Presidency.

The department also offers elective courses to meet the demands and interests of individual students who may choose to study international relations, sociology, psychology, ancient, medieval or modern European history in addition to the required courses.

Languages Open Doors for

Communication

Larry Staak uses facilities of language lab to learn French.

This year, as in years before, the FOREIGN LANGUAGE DEPARTMENT, headed by Miss Blanche Howland, is offering courses in four languages—French, German, Latin, and Spanish. The language lab, installed four years ago, aids in teaching pronunciation, comprehension, and dialogue while tapes and movies reinforce textbook presentation.

The first two years of Latin are devoted primarily to grammar and structure, whereas the third and fourth years emphasize the reading of Latin prose and poetry.

In the modern languages—French, German, and Spanish—the first year includes the study of fundamental expressions of the language and also the study of the country's historical background. Grammar is emphasized in the second year, and the reading of literature in the third and fourth years. The Foreign Language Department is rapidly expanding to meet the demands of the students who realize the importance of languages in our modern world.

Business Courses Provide Practical Knowledge

The COMMERCIAL DEPARTMENT, under the direction of Mr. William E. Corr, offers a broad range of business education courses. The objective of the department is twofold: first, to develop business skills and attitudes useful in personal life; second, to provide training useful in the business world.

Although none of the business courses are mandatory, freshmen are encouraged to enroll in general business which serves as an introduction to the second year's work. Sophomores and

juniors are eligible for enrollment in the prerequisite courses of personal typing and Typing I. Stenography may be taken in the junior year either in accompaniment with or after these prerequisite preparatory courses. Juniors are also eligible for accounting, while courses open to seniors exclusively are commercial law and office practice.

Adequate facilities and ample equipment make it possible for the teachers to provide sound business training.

Fine Arts Encourage Self- Expression

An opportunity to develop imagination and creativity is given to students in the FINE ARTS DEPARTMENT, under the direction of Miss Velma Dickson. Besides painting and sketching, a field of creativity is provided through courses in ceramics and applied art, where experimentation in the use of materials such as cloth, glass, mosaic tile, and paper, aid the student in forming new ideas and providing avocational enjoyment.

The band, orchestra, and choruses stress music appreciation and interest in good musicianship. Traditionally, music department students obtain high ratings in state wide contests, and this year did not prove to be an exception.

Through teaching physical skills, proper health habits and good sportsmanship, the PHYSICAL EDUCATION DEPARTMENT stresses healthful living. "Youth Fitness Tests" are administered each year to measure the student's national percentile rank in such skills as sit-ups, pull-ups, and the 50 yard dash, broad jump, and softball throw.

All freshmen students are enrolled in a six weeks' HEALTH course offered in conjunction with the P.E. department.

During the sophomore year, students are provided with four weeks of classroom study in driver's training, followed by Drivotrainer instruction and behind the wheel road training.

Juniors receive instruction in first aid skill, while seniors are offered a marriage class in order to prepare them for their future roles as husbands and wives.

Honors

Students who have demonstrated superior ability, diligence, and outstanding achievement are recognized by both administration and student body. This section of the 1963 *Cauldron* is devoted to these students, who, by expressing their fine abilities in all facets of school life, have brought pride and recognition to themselves and their school.

Membership in national honorary societies is awarded on the basis of interest, ability, and active participation; those who have received high ratings on achievement tests, have maintained excellent grade reports, and have shown unusual aptitude are rewarded with special awards and scholarships. Other awards are bestowed in the fields of art, music, math, science, journalism, and extra-curricular activities.

Scorers and Exchange Students Recognized

The NATIONAL HONOR SOCIETY scholarships are based on the scores received on the Preliminary Scholastic Aptitude Test and additional aptitude tests; and the amounts of the scholarships are based on the decisions of the National Scholarship Commission. Five students from our school are finalists in this competition.

In March of each year, the NATIONAL MERIT SCHOLARSHIP Corporation conducts its nation-wide scholarship test for juniors. On the basis of the scores received, the top one percent, or approximately ten thousand applicants, are chosen as semi-finalists and are then given a second test as seniors. The six DGHS 1963 finalists are eligible for valuable scholarships to be used at the schools of their choice.

From the AMERICAN FIELD SERVICE candidates chosen by a local committee of citizens and school administrators, the New York executive office of AFS chose Steve Petersen to spend the summer of 1962 with an AFS family in Denmark. Under the same program, Ursula Werner from Switzerland attended DGHS this year and lived with Kris Benson and her family, and Catriona Sutherland, from England, with Carol Vavrinek and her family.

Letters of Commendation are received by top scorers on the National Merit Scholarship Test. Row 1: Cleora Kneier; Sue Hoffman; Wally Zahner. Row 2: Bart McKee; Don Flood; Pat Cooper. Row 3: Bruce Howat; Dave Dapigny; Carl Klunder; Tom Potelza. Row 4: Bill Turek; Neil Winkindt; Roger Carlson. Ken Slepicka. Top Students Awarded Recognition

Character, scholarship, leadership, and service are qualities characteristic of members of the 1963 NATIONAL HONOR SOCIETY. Chosen by the DGHS faculty, the total membership comprises 15% of those students who rank in the upper one-third of the graduating class. These seniors were honored at a dessert held in November, at which time they were awarded the National Honor Society pins.

This year Downers Grove was invited to send a team of contestants to the NBC network's *IT'S ACADEMIC*. Eleven seniors were selected by the administration and faculty and auditioned by channel 5 officials who chose Craig Bradley, Mary Thatcher, and Craig Thorn to represent the school, with Carl Klunder and Marv Mellott as alternates. The Downers trio won the quiz competition against teams from Maine East and McHenry, losing in the playoff round to Joliet.

Scholars Achieve Academic Success

Bausch and Lomb Science Award—Mary Mellott, Craig Thorn

The BAUSCH AND LOMB Science Award is presented to the outstanding senior science student of the high school. This year, Mary Mellott and Craig Thorn tied for this honor and each received a commemorative medal.

Each year the American Association of University Women presents awards to the most outstanding third or fourth year FOREIGN LANGUAGE students so designated by their respective language teachers. Each student is honored by presentation of an appropriate book by the AAUW.

The NATIONAL SCIENCE FOUNDATION sponsors summer programs for high ability high school students. Three of the present senior class were selected to participate in this program last summer. Mary Thacher attended Denison University; Mary Mellott, Colorado College; Craig Thorn, University of Arizona. Junior George Nees has been selected to attend the University of Oklahoma this coming summer.

Every year the MATHEMATICAL ASSOCIATION OF AMERICA AND THE SOCIETY OF ACTUARIES sponsor a nationwide mathematics contest. Fifty DCHS math students were selected to take the comprehensive examination this year and the scores of the top three contestants automatically became our school's team score which was entered in state-wide competition. A silver pin was awarded for the best score, and certificates of merit were given to the second and third place winners from our school.

DAR Runners Up—Marilyn
Bussey and Jane Vancil

This winter Downers Grove High School seniors chose Jane Vancil, Marilyn Bussey, and Anne Poling as nominees for the DAUGHTERS OF THE AMERICAN REVOLUTION award. These girls were nominated by classmates on the basis of citizenship leadership, and dependability. Willard Radell, Fred Lester, and Steve Petersen, were selected in like manner for the SONS OF THE AMERICAN REVOLUTION award.

The final decision was made by the faculty who this year chose Anne Poling and Steve Petersen as the recipients of the D.A.R. and S.A.R. medals.

Junior Citizens Achieve Various Goals

Steve Petersen and Craig Bradley were each awarded a \$100 scholarship to be used at the colleges of their choice by the DGHS HI-Y chapter. The award is given to the most outstanding senior members of the organization as nominated by club sponsors.

The DGHS 1963 finalist in the HOMEMAKER OF TOMORROW contest sponsored by Betty Crocker is Gae Ann Hunker. She was selected from fifteen other senior girls on the basis of a test on all areas of home economics.

Last year for the first time a junior was chosen to represent DGHS at the JUNIOR RED CROSS Leadership Training Center at Lake Forest Academy in Illinois for a one week summer program. Sue Hummer was chosen by the deans on her leadership abilities, past performance for the JRC, and interest in the field.

The annual JAYCEE JUNIOR CITIZENSHIP AWARD is given to an outstanding student between the ages of 14 and 18. A committee of Jaycees chose Willard Radell who will receive an engraved plaque and a \$100 United States Savings Bond on the basis of the following criteria: leadership and citizenship demonstrated in school, church, and community activities, and school performance.

From junior girl candidates recommended by the Dean upon the basis of scholarship, citizenship, and interest, the local chapter of American Legion Auxiliary selects one girl to attend a one-week summer session of ILLINI GIRLS' STATE at MacMurray College, Jacksonville, Illinois. The Westmont chapter of the Auxiliary also sends to the model state government training session one junior girl, choosing girls from DGHS and Hinsdale High School on alternate years.

The purpose of NASS is to foster high scholarship among boy athletes, to stimulate a desire for balanced training, to elevate the ideals of sportsmanship, and to develop a high type of leadership in the boy athletes of the secondary schools of the United States. Boys are nominated for membership by their coaches and teachers.

Each October, the Physical Education Department administers a series of YOUTH FITNESS TESTS in conjunction with the American Association for Health, Physical Education, and Recreation (AAHPER). One boy and one girl from each class receive fitness awards given on the basis of performance as compared to the national norm.

In 1928, for the first time, the name of an outstanding girl was placed on the GAA CUP. Each year following, the names of one or, in some cases, two girls have been engraved on the cup. From three candidates, Charlene Krusas, Janice Wotring and Anne Poling, the Girls Athletic Association Board this year honored Anne Poling by selecting her on the basis of her outstanding participation and service on the GAA Board. The award was presented at the annual GAA dance on May 4.

THESPIAN TROUPE 1856, DGH5 affiliated with the National Thespian Society which has chapters in approximately 3,500 schools in all 50 states, selects for membership those students who have demonstrated outstanding accomplishments in secondary school dramatic activities. In the spring of 1963, membership in the local chapter numbered fifty-nine.

Each year the Grove Players sponsors a CIVIC THEATER AWARD for the outstanding senior in the performing arts. The three candidates for this year's award, Rick Brickwell, Frank Guthrie, and Bruce Mayo, submitted to the Civic Theater Board papers summarizing their dramatic activities. Selection by the Board was made on the basis of versatility and excellence in performance. In addition to receiving a medal and a \$50.00 scholarship, the winner, Frank Guthrie, had his name engraved on the permanent trophy.

An ART SCHOLARSHIP is awarded each year by the Downers Grove Women's Club to an outstanding 11th grade art student. The complete scholarship affords the student one week of concentrated study during the summer at the Allerton Park Art School in Monticello, Illinois, instructed by professors from the University of Illinois art department. Paul Faris was chosen to participate in this program for the summer of 1963.

The SCHOLASTIC ART CONTEST, sponsored by Scholastic magazine, is a search for new student talent across the nation. DGHS is proud to have two blue ribbon and gold key finalists, three gold key finalists, and one student whose work placed at the local exhibit.

Faculty and Administration Saluted

Principal Clarence Johnson was awarded the 1962 Secondary School Principal of the Year honor by Croft Educational Services of New London, Connecticut. Special Citation recognizing outstanding and able leadership was presented by Dr. Pickrel to Mr. Johnson at the 1962 Cap and Gown Assembly.

On March 22, 1963, Mr. Johnson was honored with a certificate of merit from Wheaton College at an annual education department dinner for educators of the area. The certificate read: "In recognition of distinguished service and achievement which have contributed to the spiritual and cultural welfare of mankind."

According to notices received prior to publication date, advanced study grants for the summer of 1963 have been awarded to the following instructors:

Mr. Everett E. Holt—(NSF) University of Colorado, Boulder, New Developments in Teaching Science;

Mr. Robert L. Harland—(NSF) University of Indiana, BSCS Biology;

Mr. Henry C. Krass—(Shell Oil Company) Cornell University, Ithaca, New York, Modern Physics;

Activities

Through the combined efforts of faculty and students, a continuous stream of ideas and projects materializes in extracurricular organizations. When the school day is over and the books are closed, students channel their interests into informal productive outlets which benefit not only themselves but also the activity's members.

Student government offers a challenge to improve our school; service clubs provide ways to assist the administration. In athletics, art, music, and theater organizations, hobby enthusiasts join together in common goals and projects, while math, science, and book clubs take over where the daily textbook ends. Not only do clubs provide stimulation and enjoyment, but their programs are planned to cultivate specific abilities and talents. Thus the student grows socially and creatively as well as academically.

Student Council officers—Seated: Lynn Peck, corresponding secretary; Patti Jo Havel, treasurer; Dan Parz, vice-president. Standing: Sue Charlton, recording secretary; Earl Anderson, parliamentarian; Jim Klusman, president.

Student Council Pieces Huge Puzzle

The 1962-63 STUDENT COUNCIL, retaining the change in representation initiated last year, has a total of 61 members who represent the student body. This year's Council began its official duties by sponsoring the AFS program which sent Steve Petersen to Denmark during the summer of 1962. Although this is only the fifth year since the program's beginning, DGHS this year has two exchange students from foreign countries—Ursi Werner from Switzerland and Catriona Sutherland from England. The funds for this exchange are obtained mainly through the operation of peanut machines and the selling of "Friendship Shares."

Student Council's second service to the school is

welcoming freshmen to their new school. The student government conducts the freshman assembly and the Freshman Party. The purpose of these meetings is to acquaint the freshmen with their classmates and to provide a formal welcome to DGHS.

Mrs. Charlotte Andersen, Mr. Herbert Adams, and Mr. Philip Bowers supervise all Student Council events including the traditional turnabout dance, this year entitled International Inn; Spirit Week, and a mixer held after a home basketball game. Student Council hosts College Night and Open House. Each year delegates are sent to local, district, and state Student Council Conventions.

BIOLOGY CLUB, under the direction of Miss Louise Killie, provides an outlet through which students interested in the biological sciences may express themselves. This year the club sponsored a trip to the International Livestock and Horse Show in Chicago. Topics such as bacteriology and conservation were discussed at the regular monthly meetings; and members worked on individual projects, ranging from photosynthesis to the human digestive system, for the Chicago Science Fair where many DGHS students won recognition.

Newspaper articles, television programs, radio broadcasts and vocational experts all emphasize the important roll of the scientist in today's modern world. PHYSICAL SCIENCE CLUB, under the supervision of Mr. Henry Krass, held challenging discussions and presented stimulating lectures on many subjects, including Paper and Column Chromatography and Microwave Communications. Members of the club also constructed and tested projects which received merit ratings at both district and state fairs.

SENIOR MATH CLUB, dominated by the study of Boolean algebra, sets, and the fourth dimension is a challenging way to reach deeper into the study of mathematics. Sponsored by Mr. Edward Paine and Mr. John Sjoblom, the club participated in several local contests and the annual Mathematics Association test. Also, this year the members heard lectures on topology, flexation, and other related topics.

JUNIOR MATH CLUB, sponsored by Mr. Leo Miller, concentrates on extending the basic knowledge presented in the freshman and sophomore math classes. The club's studies included the slide rule, the binary number system, and a series of brain-teasers.

Projecting Future Signals

Supervised by Mr. Paul Kluth, the AUDIO VISUAL AIDS is an organization of students who devote their study hall periods to helping the school in the operation of movie projectors, phonographs, and tape recorders. They also handled the stage equipment, sound, lighting and scoreboard at school events. Through the club, the members learned to operate and service this equipment, and they earned money by working at non-school functions.

Highlighting the program of the RAIL FAN CLUB, sponsored by Mr. George Toler, were trips to the Burlington freight yards and discussions of team locomotives, HO trains and street cars. At their regular monthly meetings, bull sessions were held in which the members discussed their individual track patterns. Club members proudly completed the organization's HO model railroad this year.

Railroad Club—Otto Vavrin; George Voightman; Marvin Zancloch.

Chess Club—Top: Juan McMillan, president; Al Evanston, vice-president. Bottom: Bill Kriega, secretary; Mr. Blatchley.

Chess and Radio Clubs Challenge Hobbyists

CHESS CLUB, sponsored by Mr. Clifford Blatchley, helps students develop their sense of reasoning through mental challenge. Practice games to improve chess technique and intra-mural tournaments were held. Chess Club proved, through tournaments with neighboring schools, that DGHS chess players are outstanding.

RADIO CLUB, under the supervision of Mr. Karl Price, meets regularly to discuss the principles and ideas of radio and its associated topics. During the past year the club completed the construction of its short wave radio station. At the conclusion of the year, each member had learned enough about the operation and care of radio equipment to qualify for a radio operator's license.

ART CLUB members can pursue their interests through interaction with other students of similar talents, exchanging ideas and comparing work. Miss Velma Dickson, club sponsor, encourages members to use imagination in creating projects which are too extensive to be completed successfully within the limited time of the classroom. This year Art Club members worked with media varying from oil tempera, and water color through three dimensional techniques. Membership is open to any interested student, whether or not he is presently enrolled in art course.

Students Practice Business for Future Use

Business machines play an important part in learning

BUSINESS CLUB, under the direction of Miss Joan Olszewski, studied phases of business not covered in the classroom. Speakers from various areas of the business world provided programs for the club, and group discussions covered the use of business machines.

PRO BONO PUBLICO, the two-year-old ushers' club of DCHS, has proved to be an important asset to our school's social functions. The club, under the supervision of Mrs. Edna Doster, also ushers for community groups using the high school auditorium.

Students Aid Faculty and Administrators

Devoting free periods to assist teachers and administrators, the members of SERVICE CLUB keep busy with clerical tasks. To qualify for membership in the club, students must maintain an above average grade record. Club members relieve at the switchboard, do filing and typing and perform messenger services. The students render a real service to the school and at the same time learn details of organizational and office operations.

Cultural Talents Stimulated

Under the direction of Mr. Frederick Moore and Mr. Edward Vertuno, the DGHS DEBATE team has proved itself to be one of the finest in our area. SUBVARSITY is preparing debate artists for our senior debate teams, and both teams have maintained high records during the past season.

CREATIVE WRITING CLUB and BOOK CLUB, recently becoming one and the same, provide an opportunity for students to cultivate literary talents. Mrs. Margarete Cantrill and Mr. Donald Vondracek, club sponsors, encourage members to experiment with different composition forms and to submit material for the school's literary magazine.

Library Aids

Important Asset to DGHS

An important asset to DGHS is the LIBRARY AIDS CLUB, which, under the direction of Mrs. Virginia Jones, checks books in and out, shelves books and collects fines. Competent help of the library aids allows the librarians more time to answer reference questions and perform other important tasks.

Library aids, Linda Burgess and Karen Kring, check out books.

Language Clubs Study Foreign

In use of today's ever-increasing speeds the distances between the peoples of different nations are measured only by the height of the language barrier. The language barrier is the barrier to the understanding of the other. It is the barrier to the understanding of the other. It is the barrier to the understanding of the other.

Girls' Club Changes Name — Retains Traditions

In its forty-year history, GIRLS' CLUB has undergone many changes in its name and organization; but it has always retained its fundamental goals. Last year Y-Teens board decided to change the name and the organization of the club to its present form.

Because of its service to the school and the nature of the organization, Girls' Club was for the first

time permitted to meet during a home room period with sponsors, Mrs. Jane Pohlmann and Mrs. Sue Perry. Although interest groups no longer exist, they are incorporated into the monthly general meetings. Among Girls' Club many activities were the Father-Daughter Night, Mother-Daughter Tea, and Christmas Party, and the annual turnabout dance, "Enchanted."

Committee Plans Weekend

Last March, soon after the 1962 Homecoming Steering Committee was chosen, work began on choosing a theme. After long hours of discussing possibilities, the committee chose "Smooth Sailing" as a weekend theme and "Sur Le Pont," meaning "On the Deck" as a dance theme. Under the direction of Mr. Fredrick Moore, the steering committee spent over five months planning in great detail the biggest and most successful homecoming DGHS has ever experienced.

SMOOTH

"Bon Voyage!" This was a common greeting spoken during the 1962 "Smooth Sailing" homecoming weekend, October 4-6. The pep rally and bonfire began the weekend with a burst of enthusiasm and spirit. On the afternoon of October 5, one of the largest, most impressive parades DGHS has ever sponsored drifted down Main Street to the football field. At 6:00 p.m., the lights went on and the football "Victory at Sea" against Arlington began. During the Fresh-Soph halftime, the DGHS marching band performed nautical patterns on the football field; during the Varsity half, the Queen, Marilyn Bussey, and King, Fred Lester, were announced, and the winning floats for the junior, senior, and freshman classes received their awards.

The climax of the weekend was the dance, "Sur Le Pont," where couples boarded the *S S Paradise* and sailed to the romantic South sea island. "Paradise" where the coronation ceremonies took place the perfect ending for a most successful and memorable homecoming weekend.

'65 HEADS CHOSEN

Sophomore class officers were elected Friday, October 19. The president of the class of '65 is Jeff Ferguson. Vice president is John Hoke. Pat Alexander is the new secretary and Gretchen Doss is treasurer.

The school newspaper plays an important part in the communication of DGRS events—past, present, and future. Under the sponsorship of Miss Betty Lee Chessman, news articles, feature stories, editorials, and sports accounts are combined to provide interesting and informative reading to the faculty and student body. The HIGH LIFE staff not only writes and edits the paper, but is also responsible for its advertising and distribution. Every third Friday, scribes and purchasers look forward to the circulation of the publication which plays an important role in formulating student expressions, opinions, and spirit.

While the average student finds it hard to comprehend the mysteries of putting out a yearbook the CAULDRON EDITORIAL STAFF, sponsored by Mrs. Lois Dahl, has learned to master its intricacies. Planning takes place during the preceding spring, and work starts with underclass pictures at fall registration. After drawing approximately 2,000 tiny squares on layout paper and typing in names and photo captions, the underclass and academic sections are sent to the publisher in November. As soon as this feat is accomplished, Senior section follows in December, Activities in February, and Honors and Athletics in March. The entire copy for the book is in the publisher's hands by the middle of April.

Sales and distribution were handled by the staff under the direction of Bill Moore.

Like Show Business

The title of this well-known song aptly describes the feelings of some 500 members of the DRAMA CLUB who like nothing better than to entertain and be entertained. Not only does the club boast the largest membership in the country, but the 105 delegates who attended the National Thespian Convention at Indiana University last June brought home a certificate and twenty five dollars for the largest delegation present, a certificate of recognition for the dance pantomime, *Our Town*, and a trophy for the chorologue, *Dandelion Wine*.

Major annual projects were the Play Night *Mummer's Madness*; the Senior Play, *The Miser*; and the All-School Play, *The Mouse that Roared*. In addition to these productions, the dramatists experimented with radio plays, children's theater dance pantomime workshops, and Reader's Theater, all under the direction of their sponsors, Mrs. Marjorie Wood and Mr. Frederick Moore.

The Drama Club bulletin board displays a variety of projects.

HEROON THE PLAY, Ronald Price as Alvaro in scene with Elise and Mariane at the end of Act I.

On November 16 and 17, 1962, the Senior Class delighted two capacity houses with their hilarious production of Moliere's *The Miser*. Complicated love affairs intermingled with scene stealing characters kept the plot moving steadily and the audience laughing constantly.

The set painted in shocking tones of chartreuse and powder blue recreated the seventeenth century play and the authentically constructed costumes and props lent an unforgettable atmosphere to the production.

Girls' Athletic Association Stirs Up Action

Members of the GIRLS' ATHLETIC ASSOCIATION, sponsored by Miss Rita Reidy, are enthusiastic, vivacious girls who enjoy being active. As members racked up points for attendance and participation, they looked forward to initiation and to the annual splash party held in March for all initiated members.

With financial aid from other school organizations, GAA sponsored the Christmas door decoration

contest which helped put DGHS into a festive holiday atmosphere.

Activities sponsored by the club this year were archery, badminton, tennis, trampoline, apparatus, volleyball, basketball, stunts and tumbling, modern dance, speedball, hockey and bowling. Enthusiastically, members attended the Fall Picnic, Halloween Party, Daddy-Daughter Night and the turnabout dance.

D-CLUB is composed of the outstanding athletes in the school. A boy may earn his letter through participation in a varsity sport and by showing good sportsmanship. The club serves the school by ushering at home sports events. The members also promote school spirit and interest in sports.

Pom Pon Squad, Trojan Boost School Spirit

The eighteen purple and white clad senior girls of the POM PON SQUAD have become a familiar sight at D.H.S. Present seniors recall that the first Pom Pon squad at our school performed during their freshman year and since then the squad has established a fine and lasting tradition. The girls created the cheering song, designed and sewed their own outfits and worked out original routines to perform at football and basketball games. The group performed under the co-captainship of Ann Gibson and Trudy Yerges. With their smart stepping, confident, bright smiles and swishing pom-poms they could not help but instill spirit in the student body.

The Trojan mascot Jack Dyer, dressed in the attire of a Trojan warrior, was in attendance at all games to stimulate spirit and bring good luck to the members of the team.

Cheerleaders

Arouse Enthusiasm

Devoted and vivacious cheerleaders, guided by Miss Janet Ellerman, direct the pep, spirit, and enthusiasm of the student body. Whether offering a cheer of victory or uttering a sorrowful sigh of defeat, the cheerleaders constantly show good sportsmanship, which is reflected by the fans who follow the fortunes of the teams.

Enthusiastically cheering students wearing white pep sweaters form the body of the PEP CLUB membership. Under the supervision of Miss Janet Ellerman, Pep Club worked closely with Honor Pep, a select group of senior girls chosen on a point basis for their interest and ability in Pep Club's work. Cooperating with D-Club, Pep Club expanded the cheering force at games to include a large boys' section, thus increasing the volume and vitality of the cheering.

Sound in Music

Outstanding vocal ability and reading techniques and a knowledge of basic musical fundamentals are required for membership in the A CAPPELLA CHOIR. This group of seventy-five students, directed by Miss Barbara Barnes, performed in school concerts and before civic organizations, upon invitation. A most important accomplishment of the choir was the presentation of the operetta, *Brigadoon*. In addition, small ensembles and soloists participated successfully in the state music competition.

The Madrigal Choir, in its second year at DGHS, is a group of sixteen outstanding vocalists who performed at school and in the community.

Berta Gahlon accompanies the A Cappella Choir as Miss Barnes directs during a typical rehearsal.

BRIGADOON

The cease whistle of the bagpipes, the flash of tartan plaid and the rolling doors of Scotland beckoned on April 5 and 6 as the Vesper Choir and the orchestra presented *Brigadoon* on Tommy Albright and Jan Douglas, two Americans, accidentally stranded upon a tiny village which appears only once in every hundred years. In the course of this single special day Tommy falls in love with Fiona MacLaren, witnesses a marriage,

and mourns the tragic death of a young man attempting to flee the enchanted town. But most important of all, the secret of Brigadoon is revealed to Tommy by Mr. Lundie: that in giving entrance to one's self a person receives all the benefits of a happy life.

Choreography, singing and orchestration were handled by Mrs. Yerges, Miss Barnes and Mr. Sefton. Berta Gossard assisted as stage manager.

Trojans Boast of the

"Ten-shun. Ten-shun: one, two, three!" Even before the echo of these words had died in the stands, the crisp fall air was filled with the strains of a staccato march as the formally uniformed ninety-seven man Band marched smartly onto the athletic field. Under Director C. J. Shoemaker, the band entertained the crowd with a variety of musical formations, and the crowd responded enthusiastically to the vibrant performance.

Besides appearing officially at athletic contests, the Band assists the orchestra and choruses in

presenting the traditional Armistice Day program and the impressive Christmas offering. The Band gave two formal concerts during the winter and two during the spring; and the members as a group and in small ensembles competed successfully in the West Suburban Music Festival and the State Music Contest. Their farewell performances during graduation week climaxed a year of impressive achievements which gave pleasure to the participants, the students, and the community.

Athletics

"The desire to win in athletics—the competitive urge—is the cornerstone on which our philosophy at Downers Grove High School is built." The 1961-1962 athletic season provided a testimony of a successful school policy. Broken records, new and repeated championships, and determination in spite of loss combined to furnish the student body with excitement limited only by the extent of the viewers' imagination.

Like every other year of sports, this year had its upsets, romps, and heartbreakers—incidents which will forever be a part of those unforgettable memories of Downers Grove High School athletics.

Determined Trojans Take 2nd Place in WSC

For the third consecutive year the Beavers came away with a second place trophy in the West Section Conference. Head Coach Dick Carstena, who has coached the team for 12 years, led the team to a 7-1 record. The team was led by Paul Yanke, who was named the most valuable player. The team's success was due to a powerful offensive and a determined defense.

The Trojans' two losses were to Naperville and Hinsdale. The season opener at Naperville was a one-point setback. At Hinsdale, the Red Devils managed to pull out a win which proved to be the only score in the rain-soaked contest. The team's season performance was highlighted by a victory over the host team, the Red Devils. The team's success was due to a powerful offensive and a determined defense.

Ponies Finish Fourth in WSC

Win Last Three of Four

Guiding the Fresh-Soph football squad for '82 were head coach Chuck Novotny (center) and Walker (left and right).

The Downers Grove sophomore football squad won its last three out of four games to demonstrate definite improvement over their performance earlier in the season. The Ponies' first victory came over Riverside-Brookfield; this was followed by victories over rivals, Hinsdale and Maine East. Also interesting to note is that the Ponies' loss to conference champion La Grange was by a slim 7-0 score. The only decisive victory over the Ponies was a 21-0 trouncing by York.

Guiding the squad throughout the season were head coach Chuck Novotny and his assistants, Jim Gilmore and Bill Walker.

Defensively, our team played well; the Ponies allowed fewer total opponents' points, 73, than did second place Arlington, which lost only one game.

Initially, the Ponies' major problem was their offensive attack. However, the last half of the season saw the Ponies more than double their per-game point average.

Thinclads Improve Previous Season's Record

Under the guidance of coach Roger Lofgren, the varsity thinclads compiled a 3-8 won-lost record placing them seventh in the conference standings. The varsity's three victories came over Naperville, Arlington, and St. Procopius. At the close of the season, the thinclads finished fifth in the West Suburban conference meet.

Coach Jim Wallace's Frosh-Soph cross-countrymen ended the season with a sixth place finish in the WSC meet, having previously been dealt the number seven spot in the conference standings. Highlighting the season was the team's capture of third place at the St. Charles Invitational.

Trojans Rebound After Poor Start

All-conference guard Glen Wirtanen (12) drives at the basket getting to set up a shot with his right hand.

The Downers Grove varsity basketball team rallied to convert a 1-10 record into 7 wins and 14 losses.

Head coach Lloyd Wasmer pinpointed the turning point. During the game with the Riverside-Brookfield Bulldogs, our varsity seemed to "find" themselves and from then on worked together as a unit.

Interesting to note is the fact that the Trojans dealt defeat to all but two of their conference opponents. After earlier posting a 1-5 conference start, Downers retaliated to win five and lose three, conquering such foes as first place R B and third place Maine East.

The starting five consisted of all-conference and captain Glen Wirtanen, senior guard; John Lounibos, junior guard; Rich Glasier, senior center; Dale Sunnquist, senior forward and Ray Chladek, junior forward.

The junior-varsity basketball squad consistently displayed their offensive power, winning 12 games while dropping only 4.

Ponies' Games Excite Crowd

Under the guidance of coach Roger Lefgren, the Fresh-Soph basketball squad posted a record of 8 wins and 10 losses.

Led by high scorer John Howat, the Pines often jumped to first-half advantages only to falter in their second-half attacks. Over time games were not a rarity yet the Pines ended up on the short end losing six games by five or fewer points.

The Frosh Soph recorded five wins and nine losses against conference competition, coping victories from Arlington 2), Maine East, Hinsdale, and York

Coached by Larry Wyllie and Gary Cook, the Freshman basketball team won 14 games while dropping only 3, leaving high hopes for a conference title next year.

The Frosh consistently played high scoring basketball, averaging over 50 points per game. DG beat such dreaded conference opponents as Maine East 57-39, Riverside-Brookfield 56-38, LaGrange 57-39, Glenbard West 52-34, and York, 39-33.

Nearly always, the Freshmen hustled their way to one-sided victories, winning often by 10 points or more and on one day as much as 18.

With only a few months left to go, the 1934-35 season is fast closing. In the course of Bud Weber's journey north on the West Side, he has been to the West Side, and he will be there at the close of the season.

After the first few years, the number of cases has been decreasing steadily. In 1997, there were 135 deaths from this disease, compared with 176 in 1996.

Three DR samples were prepared (100, 200, and 400 mg/L) by adding 100, 200, and 400 mg of DR to 1 L of distilled water. The DR was added to the water as a suspension of 100 mg of DR in 100 mL of distilled water.

Trojan Bats Are Both Hot and Cold

Playing their last season under the coaching of Guy Wellman, the Trojans finished in a tie for sixth place in the conference. The team's overall record was six wins and eleven losses, while against conference competition the Trojans won five and lost nine.

The Trojans were able to defeat all but two of their WSC foes, in each case slugging their way to a one-sided victory. The varsity shut out Hinsdale 8-0, pasted the La Grange Lions 9-1, and bombarded York 13-1. The Trojan Bats also hammered out a 6-2 win over Arlington, and a 7-3 muzzing of the Riverside-Brookfield Bulldogs. DG's two pairs of losses were to Maine East and Glenbard West.

Though now serving as a scout for the Los Angeles Dodgers, Mr. Wellman is still a part of the high school not only in service but also in memory. The performances of his teams have served as testimonies of his coaching attitudes and baseball experience and knowledge.

Frosh-Soph Has Impressive Year

After dropping their first conference game of the campaign, the Ponies, coached by Larry Wyllie, came bounding back to win ten straight games, only to lose a pair near the season's end to push them from first place into second.

Their impressive record of 13 wins and 3 losses points to a strong Trojan title bid in 1963. The Ponies' three losses were all slim one-run setbacks. RB squeezed by DG, 3-2, and Maine East eked out a 6-5 win. In the conference season's finale, LaGrange scored several unearned runs to manage an 8-7 victory.

The freshman coach, George Feuerschwenger, guided the underclassmen to a 6-5 season's record. The frosh took a pair from the Hinsdale Imps, 12-3 and 1-2, also posted victories over Glenbard West, 11-0, Riverside-Brookfield, 6-5; and Maine East, 14-12.

Varsity Cindermen Victorious

Improving over last year's performance, the varsity track squad, coached by Jim Stahl, Jim Lind, Sig Harbak, and Jim Wallace, flooded the trophy cases with a host of prizes.

The indoor track results netted five triumphs and three defeats. After dropping the opener to Highland Park, the Trojans rallied to wallop Maine East, Hinsdale, Naperville, Glenbard East, and Levden West. The only real disappointment during the indoor season was the number of poor performances at the multi-team invationals.

The varsity outdoor track season was highlighted by several events. Senior Steve Brubaker advanced through the district meet to the state finals in which he placed fourth in the 440 yard dash. Sophomore Bill Howerton entered the state finals in the 220 yard dash with the fastest qualifying time among all entries and went on to place fourth in the finals. In the district meet at St. Charles the Trojan cindermen captured first place with 42.5 points.

At the DuPage County meet, Downers' varsity finished a close second, yielding to first place York by less than a point.

As hosts, the Trojans also swept through the Little Four meet to a first place finish, registering nearly double their closest competitor's total points.

Overall, the Trojans pawed the cinders for three dual meet wins and three firsts at the multi-team meets. In the WSC meet, Downers' varsity placed fourth.

With an easy but swift stride, Steve Brubaker wins the 440 yard dash at Hinsdale.

Frosh-Soph Capture WSC Track Crown

"It looks like we'll need a new bar, Coach." But Pud Farris made it over.

In 1962, the Frosh-Soph tracksters crushed every foe except one in the dual and triangular meets and completely outclassed their opponents in the West Suburban conference meet. Coaching the squad were the same foursome which guided the varsity team: Jim Stahl, Jim Lind, Sig Harbak, and Jim Wallace.

The underclassmen averaged 82 points to their opponents' average of 40. Only York, in a dual meet, managed to defeat DG, 63-55; but the Frosh-Soph rebounded to outscore the Barons in the conference meet.

The greatest margin of victory occurred in the Downers-Hinsdale dual meet where the DG Frosh-Soph submerged the Imps, 97.5 to 20.5.

The Frosh-Soph also captured first place trophies in the West Suburban Invitational at Oak Park, the Invitational at Morton West, and the Big Ten Meet at Morton.

The Frosh won all their indoor meets, except their initial encounter with Highland Park. On the outdoor cinders, the Frosh trounced all but two opponents, promising a bright future for DG track.

Demonstrating their overwhelming superiority in the conference meet, the Frosh-Soph took first place in six of fourteen events and second or third places in ten events.

In the varsity 220 yard dash at Hinsdale, sophomore Bill Hawerton breaks the tape far in front of his competitors.

Varsity Golfers Have Poor Season; But Frosh-Soph Win 8, Lose 2

Varsity golf at Downers Grove High school took a nasty spill in 1962, while the Frosh-Soph teed off to one of their best seasons on record. Head coach for both squads was Dick Carstens.

The nearest that the varsity could come to defeating an opponent was a close eight-point setback, 329-337 against LaGrange. The Trojans finished in eighth place in the West Suburban conference.

Meanwhile, the Frosh-Soph golfers overcame defeat in their first five opponents before winning a pair of matches. Yet, they rebounded to conquer their last three competitors.

The underclassmen's first loss came against York, 374-371. A match against Glenbard West was the only other contest in which the DG underclassmen suffered a defeat by the slim margin of 378-385.

Surprisingly enough, the Frosh-Soph's impressive WSA record of five wins and two losses placed them only fourth in the conference standings.

Terry Stuart concentrates on his position before back-swinging for a long drive.

DG Netmen Have Excellent Season

In a singles match, Bill Tyle serves to his Maine East opponent.

Under the leadership of Coach Steve Oracko, the 1962 tennis season was one of the best in the school's history.

Led by District singles champion, Tony Ivins, the DG netmen tied with York for the District's first place and the team closed the season with a 13-4 record. Unfortunately, stiffest competition was provided by the conference teams, accounting for three of the varsity's four losses. Yet the Trojans went on to capture fourth place in the WSC with a 4-3 record.

The real backbone of Downers Grove High School is its student body. Not only must the student retain his individuality, but he must contribute his talents and abilities to his class in order to form a strong unit which will continue to grow each successive year.

The freshman, while contributing in spirit to his class, spends his year acquainting himself with the traditions, learning processes, and varied activities at Downers Grove High School. During his sophomore and junior years he delves more deeply into his own field of interest and learns to accept responsibility as he grows toward adulthood. The senior, as a leader of the school, completes his high school education in preparation for life, and his emergence as an adult into the world.

Excuse me, but can you tell me where the cafeteria is?" This was a typical question timidly submitted to an upperclassman by a member of the class of 1963 four very long years ago. Looking back now, seniors chuckle and shrug their shoulders as they pass down the well known halls of DCHS. Gone is the time when they fumbled with locker combinations, searched for unknown classrooms, and walked reverently, heads humbly bowed, past those high and mighty upperclassmen. Suddenly the first hamburger eaten in the cafeteria, the first mid-term exam, and the first football game fade into the pleasant recesses of memory, and the realization that graduation has arrived comes as a shock.

Seniors have their final fling as a united class at the traditional graduation activities and prom. Then, with only the wonderful memories of the past four years to bind them together, they go their separate ways toward their future goals.

Juniors

The juniors coined a winning slogan when they proclaimed on their Homecoming float, "We Swallow All But De-Fect." These words have continued to guide them towards success.

As they demonstrate their determination to succeed, this year's juniors are establishing a pattern of diligent service, academic industry, active participation, and genuine concern—a pattern designed to make them responsible leaders. Repeating the accomplishment of their freshman year, they again won first place for their Homecoming float. They sponsored the inauguration of Junior Spirit Week, planned and executed a successful Christmas dance, and arranged to have their class rings delivered much earlier than usual.

Their achievements and deportment sustain their conviction that they are a "whale" of a class.

Sophomores

Members of the sophomore class are advancing toward goals of academic excellence and personal fulfillment. Students, enrolled in courses that will lead to satisfying achievements in the junior and senior years, will soon be ready to assume the responsibilities involved in being an upperclassman.

Class-sponsored activities have always been successful, and the sophomore class illustrates the excellent spirit found at DGHS. Not only are sophomores active as a class, but they are individually active in all phases of school life.

Enthusiasm for activities and an outstanding athletic record have been displayed by the up-and-coming sophomore class. The largest in the school, the Class of '65 is on its way to fame as a fine example of the talent displayed by the students of Downers Grove High School.

Freshmen

Beginning the year with the usual bewilderment and mistakes, the Class of '66 has successfully jumped the first hurdle in the fascinating obstacle course of becoming an active student in DGHS. Three more years of experience await them to prove their superiority as a united class.

The annual freshman party, sponsored by the Student Council, provided a means of getting acquainted with fellow students.

The Class's first contribution toward school spirit and enthusiasm was their 3rd-prize winning float for Homecoming. In addition, the freshman class showed a sense of unity when they chose their capable officers—a task taking much consideration and thought.

This class has undoubtedly shown the characteristics that are vital in taking on the responsibilities of sophomores.
